- 47 students made All State Band in 2019 a record for any high school in the state
- 6 time KELO Cup winner

Lincoln High School

Lincoln High School has a culture of high expectations and a tradition of exemplary student achievement. Lincoln High was opened in 1965. It is a comprehensive high school with an enrollment of approximately 2000 students. In 1979, the school was remodeled to make it accessible to the physically handicapped. It was again remodeled in 2000 to add more classrooms, a greenhouse, a little theater, and other improvements. In 2008, a new gymnasium was added to accommodate 2000 spectators greatly improving the ability to host large events. During 2017 Lincoln was named the Spanish Immersion High School in the Sioux Falls School district. The 2018-2019 school year brought extra support for our freshman students LHS implemented the Freshman Academy to help students transition to high school and the rigorous coursework. The school is on a traditional schedule with seven 50-minute class periods. Lincoln's staff consists of 1 principal, 3 assistant principals, 6 counselors, 1 librarian, 114 teachers, plus a registrar, secretaries, and aides. Seventy three percent of the teaching faculty have at least a master's degree or higher.

Students

Our Student body of approximately 1,900 students for 2018-19 had a graduating senior class of 465 students. We have a specific program for our student whose primary language is not English (English Language Learners program or ELL) and have approximately 100 students in this program. The Spanish Immersion program has 64 students currently enrolled.

Comprehensive Curriculum

Lincoln High has many courses in the twelve departments along with a full range of special education courses, alternative courses, and mentorships. We are committed to 21st Century skills such as analytical thinking, problem solving and collaborating. Our library has research capabilities that rival many colleges. In addition, Lincoln has the following features:

- "21st Century" classrooms equipped with SMART board, wireless projectors, and interactive TV's
- Three main computer labs and all students are issued a Chromebook
- Online course registration for all students
- Parent and student portal for academics, attendance, and lunchbox accounts
- Outstanding weight training facility
- Wireless network capabilities throughout the school

Our courses are designed to meet abilities, interests, and needs of all students. Some of these specific areas include:

- **Fine and Performing Arts:** Many art courses offer a range of interest areas to include painting, photography, drawing, ceramics, AP Studio Art; and graphic design. Our performing arts department includes instrumental and choral music. We have four levels of band and ensemble jazz groups, and three levels of orchestra and four levels of chorus. All are age and/or skill grouped. In addition to these performing groups, we offer Music Theory and AP Music Theory.
- **English:** Emphasis is on writing, literature and speech with many selections including journalism, theater, debate, oral interp., film history, creative writing, AP Language/Composition, and AP Literature.
- **Industrial/Vocational Technology:** With the opening of the CTE Academy in the Sioux Falls School District, our students have the option of many course at the Academy, which are 2-hour block sections. These courses include CAD, media productions, auto technology, hospitality management, carpentry, health careers and more.
- **World Language:** Lincoln offers a full range of languages including four years of Spanish and AP Spanish, four years of French, four years of German, and four years of Latin.
- **Physical Education and Health:** Our department offers a health class as well as several PE classes including weight training in our fully equipped weight room and a variety of lifetime sports activities.
- **Science:** We are proud to offer regular and accelerated levels of Chemistry, Physics, as well as AP Chemistry, AP Biology, AP Environmental Science and AP Physics. Other courses in this department range from physical science to astronomy/metrology, and anatomy/physiology.
- **Math:** All ability levels are served in the math department, from pre-algebra to geometry, pre-calculus; Algebra 2 and AP Statistics and AP Calculus. We also offer accelerated algebra and accelerated geometry classes.
- **Social Studies:** Students may choose from a number of electives in this department as well as American History, government, economics, psychology, sociology, and geography. AP Government, AP World History, AP US History, AP World Geography, and AP Psychology are also offered.

Class Rank

Students graduating from Lincoln need to earn 22 credits to graduate. A full year class receives 1 unit of credit; a semester course receives .5 unit of credit. All courses taken during the school year and during summer school receive an A through F grade and these courses are included in the grade point average (GPA). Grade point averages and class rank are computed on all grades received in grades 9-12 and all courses receive equal weight. AP courses receive a weighted grade. Accelerated classes do not receive extra grade points.

Testing Profile (ACT)

The following is a history of our student's ACT composite scores:

<u>Year</u>	<u>No. Tested</u>	<u>Composite</u>
2016	268	24.1
2017	285	24.2
2018	298	23.7
2019	356	23.8

National Merit Scholars

The following is a history of scholarship finalists

<u>Year</u>	<u>No. Finalists</u>
2016	5 Finalists
2017	5 Finalists
2018	6 Finalists
2019	13 Finalists

AP Scholar Students

<u>Year</u>	<u>No. Students</u>
2016	139
2017	165
2018	183
2019	182

AP Scholar Awards

<u>Year</u>	<u>No. Awards</u>
2016	145
2017	176
2018	201
2019	210
